Testimonials:

"My tax problem was so bad I couldn't have a
bank account and Massachusetts took away
my driver's license. Other accountants said
they don't do this sort of work. I was losing
sleep! Then I met Peter and he helped me get
straight. I now have a bank account, my license,
and my life back."

- R. Hopkins, Chatham MA

Total Tax Liability: \$48,000

Settlement: \$2563

Savings: \$45,437

"I have an enormous weight lifted and now
have a clean slate to build the future. At our
initial consultation Peter mapped out a plan
for handling my tax problems and everything
he said came true. I am thankful and would
recommend Cape and Island's Tax Relief to
anyone that has a tax problem."
